

Be a part of the commemorative walkway and purchase your brick or paver for Our Lady of the Lake *Building in Faith.*

BUILDING LEGACY

Buy A Brick...Build A Legacy

The final phase of our *Building in Faith* project is the completion of the commemorative walkway. The walkway will connect the church to our new Parish Center and Education Center. The one hundred foot walkway of bricks and pavers will pass in front of our new reflective courtyard with our Blessed Mother Statue.

Be among the many parishioners, students, alumni, faculty, parents, staff, and friends to purchase a personalized commemorative brick or paver for yourself, a loved one, your business, or in memoriam. Your brick or paver will be engraved with your selected name or phrase and will become a lasting tribute, paving the way for generations to come.

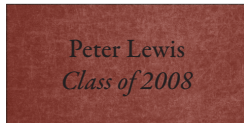

There are many ways to be part of the commemorative walkway and leave your legacy:

Memorial Bricks

You can choose to purchase a brick or a paver to memorialize a loved one. We highly recommend you choose the cross to include in your memorial.

Alumni

Alumni can engrave their brick or paver with their graduation year.

Families and Groups

Pavers are the perfect size to include large groups of people or families.

Organizations and Businesses

You can engrave the name of your ministry, organization or business on a paver. There is no additional charge for this, but all copy must be approved before engraving.

Inspirational

You can engrave a brick or paver with your favorite verse or saying. Or dedicate it to a special person or group.

We reserve the right to edit all copy before engraving.
