Get to know Our Lady of Fatima

The Fatima documentary "Miracle of the Sun" will be shown. To conclude the evening, we will pray the first day of a Novena to Sts. Francisco and Jacinta Marto, Fatima visionaries who were canonized in 2017. Come together, enjoy some snacks, and prepare our minds and hearts for the arrival of the special pilgrim statue of Our Lady of Fatima which will visit OLL on April 28! Parents, there is a child-friendly film available if you search for it on FORMED.org and YouTube--it's called "The Day the Sun Danced." Check it out and make your own movie night at home!
