Be Opened!

Jesus put his finger into the man's ears and, spitting, touched his tongue; then he looked up to heaven and groaned, and said to him, "Ephphatha!"—that is, "Be opened!"— And immediately the man's ears were opened, his speech impediment was removed, and he spoke plainly.

Mark 7:33-35

This week's Gospel passage describes in detail how Jesus cures a man who was born unable to hear and talk by spitting on the dirt and applying a paste to his tongue and ears. The Lord might have simply touched the man or said the word of healing as he often encountered the sick and lame in his travels through the towns and villages. So, why does Jesus take such very physical action to heal the man in this situation?

Jesus proclaims: *Ephphatha!* (Aramaic meaning - *Be opened!*) The combination of Jesus' physical actions and verbal command appeals to both the one being healed as well as to the crowd observing. Jesus' message implies a double meaning of physical healing but equally inviting us to "pay attention" and be opened to the Good News.

A Spirituality of Paying Attention

The news of the world, our city and local neighborhoods can often overwhelm us with the unrelenting stories of violence, death, and natural destruction. We have instant access to pictures and video from across the planet. We are graphically aware of human suffering from earthquakes, catastrophic fires, floods, hurricanes, oppressive heat, hunger, discrimination, war, and its many forms of violence. So much suffering! We can become desensitized and try to ignore or avoid it all.

We need a healthy spirituality of "paying attention"—of being aware of the conditions in our world and choosing ways that we can make a difference. As members of Christ's body, one of the best ways we can pay attention is to be involved physically and totally in helping others. Our parish has many accessible opportunities for service through our Mercy Teams outreach, St. Vincent de Paul assistance, and Knights of Columbus seasonal efforts.

Gratefully, many parish families regularly support these efforts and others through grants from our Outreach Fund. As the busy-ness of a new school and sports year surrounds us, may we keep paying attention to the physical needs of others. See our parish website for ways to serve: ollparish.com/love-others.

Lake Oswego Transitional Shelter Ministry

One lesser-known outreach of our parish is the Lake Oswego Transitional Shelter Ministry (LOTSM)—a coalition of six Lake Oswego faith communities who support families in transition to permanent housing by maintaining two shelter apartments for guest families. We are currently seeking additional parishioners to help represent OLL in this entirely volunteer effort. There are a variety of skill sets needed from maintenance tasks to accompanying families in transition. There are a variety of skill sets needed from maintenance tasks to accompanying families in transition. See page 4 in this bulletin for more information about LOTSM, who to contact, and the ways you can be involved and assist.

In the Day of the Lord

Isaiah declares in our first reading that in the day of the Lord: *Then will the eyes of the blind be opened, the ears of the deaf be cleared.* (Is 35:6) Rather than become insensitive to human suffering surrounding us, may we resolve to "hear" the cry of the poor, and "see" the face of Christ revealed for our eyes. We too can bring Christ's healing in countless simple, but often personal and courageous, ways. On this Labor Day weekend, may we become more open to and aware of the value of human work—including our own—and the dignity of all persons and their labors.

Homes with Heart

The Lake Oswego Transitional Shelter Ministry (LOTSM) is looking for Our Lady of the Lake (OLL) volunteers to support guest families in transition from homelessness with safe and secure temporary housing. LOTSM is a coalition of six Lake Oswego faith communities, of which OLL is a part. LOTSM employs no staff and runs entirely with volunteers from the sponsoring congregations. Please contact OLL parishioner Cynthia Lacro (cynthialacro@msn.com) for more information about this rewarding opportunity to serve.

LOTSM welcomed its first family in September 1988. Since then, it has served about 140 families, including about 225 children. Following public health guidance, LOTSM continuously served families during the COVID pandemic. Today, LOTSM maintains and provides two shelter apartments for guest families with fully furnished living room area and bedroom, fully stocked kitchen, washer/dryer, and internet/computer/printer. On average, the ministry provides transitional shelter to about 5 families each year.

LOTSM works closely with the housing case manager from Clackamas County Social Services, who provides professional services to support families in transition to permanent housing. A transition period is typically 3-6 months to help stabilize the families as they work to secure a permanent home.

According to the 2019 Point in Time Report, 15% of houseless people in Clackamas County were adults with children. LOTSM is doing its part in helping to make a difference in our community. Unsheltered homeless families face unique challenges and addressing them is critical in homelessness prevention efforts.

Becoming a volunteer simply requires a loving heart and a willingness to actively care. If you have any interest in joining a talented community of volunteers, LOTSM is eager to connect with you in exploring whether this ministry might be a good fit. There are many ways to volunteer. Firsthand training and written guidelines support our volunteers. Volunteers are asked to agree to a background check.

Our Cemetery Mascot!

Five months ago, a baby crow fell out of his nest, too small to survive on his own. One of our cemetery neighbors rescued him and named him BB.

She made a safe place for him in her yard on the other side of our fence, protecting him from predators. Now BB is strong enough to fly and spends much of his time at Sacred Heart Cemetery. BB loves people and follows us around when we work and often attends graveside prayers. Visitors have reported that BB sits with them when they visit their loved ones. They find him very comforting. He has a growing fan club and would love to meet you if you stop by Sacred Heart Cemetery.

Awakening Faith: A Group for Returning and Searching Catholics

Have you considered returning to the Catholic Church, or developing for the first time a more active practice of your Catholic faith? Like many, your faith may have been passed down to you by your parents or relatives. Maybe you even attended Catholic schools. Did your faith development stop once you reached adulthood? Truly connecting to your Catholic faith often brings a renewed appreciation of being a Catholic.

Our Awakening Faith group will meet in the Parish Library, on the 2nd floor of the Parish Center, beginning **Tuesday, Sept. 10** (contact Margaret for specific times and topics); Margaret Jamieson: 503-635-2915, or maggieandmargaret@gmail.com.
